1. *love and prayers for all saboteurs*

a spanner in the works
a penny on the tracks
sugar in the concrete
a fire in the stacks

burning all the timecards
breaking all the pliers
bleach in every gas tank
scissor through the wires

crude oil in the ocean
the colour of a bruise
shot that jams the rifle
the devil in the pews

2. *early childhood education*

every school has a teacher who sees a fascist in every child
look — you can always spot him from across the schoolyard
clammy, bright-eyed, excited for the future
